INT. LENNY'S BEDROOM-DAY

Lenny sits on his bed waiting for the phone to ring and it doesn't. He makes a call.

LENNY

Hi this is Lenny. I was supposed to have a phone interview with Carole today? Oh...Do you know when she'll--Oh...oh my goddess. I'm so sorry for your loss...

He begins mouthing obscenities to himself.

LENNY

Do you by any chance know if anyone else would be able to interview me then? Hello? Hello?

TILE SEQUENCE

INT. LIVING ROOM-DAY

Lenny video chats his best friend, MANNY.

LENNY

Like, I get it, but also I'm like, you have a business to run. A business that I really could be a great asset to.

MANNY

Did they say when she died?

LENNY

On her way to work today apparently. I don't know. I think she's just playing hookie.

MANNY

Lenny!

LENNY

I'm sorry, but I'm literally dying here too. I'm going stir crazy!

MANNY

Get yourself out there. Maybe go on a day date. I think it's time, no?

(CONTINUED)

LENNY
Ew, with another unemployed person?

MANNY
Or someone just with a different
type of job. Come on, go get
yourself on OkCupid or Tinder.

LENNY
Or Grindr.

The pace quickens.

MANNY
Scruff.

LENNY
Jack'd.

MANNY
Squirt.

LENNY
Daddyhunt.

MANNY
Plenty of Fish.

LENNY
Okay, now I'm officially depressed.

INT. LIVING ROOM- LATER

Lenny lays on the couch upside down, watching the clock, 2:14. He focuses back and forth between the timer and the frozen pizza box. Finally, the timer moves the minute.

INT. BATHROOM-DAY

Lenny uses a spatula to apply Nair to his back while eating pizza. After he applies, he sets the time.

SMASH CUT THE FOLLOWING ACTION:

Lenny smokes a joint (and has a coughing fit), does Sudoku, prowls Grindr. He leans back and realizes his nairy back got all over the back of the toilet.

INT. LIVING ROOM-DAY

Lenny looks at the clock again, 2:45. He dramatically growls.

INT. LIVING ROOM-DAY

Lenny lays on the floor, staring at the skylight. His roommate, JEN enters.

JEN

Len?

LENNY

Hi.

JEN

You okay lil' fella?

LENNY

I feel like I'm in the movie Room. There's a whole outside world out there, but I don't know...is it even real?

JEN

You're talking about the movie about a young girl who was kidnapped and held hostage in a shed for seven years while being routinely raped and forced to raise her rape child practically in solitude. You're comparing your one week of unemployment to that?

LENNY

What's it like in the real world?

JEN

You're disgusting.

Jen walks away leaving Lenny to continue staring.

JEN

If you were so bored, you could've cleaned something.

LENNY

What do you mean?

JEN

Oh my God.

Jen's officially gone to her room.
